Telerama Personal Internet Service

Our best seller, Personal Internet Service offers unlimited access, 24 hours a day/7days a week. Subscribers get one e-mail box (username@telerama.com), five (5) megabytes of storage for a personal webpage (www.telerama.com/~username) and mail folder, web browsing capabilities, UNIX shell access, and more! And of course, our stellar technical support is included in the package.

Our friendly, knowledgeable staff is trained to troubleshoot problems involving nearly every operating system commercially available, from Macintosh and Windows (95,98, 2000, and NT) to Linux and BeOS. Support staff can be reached by phone ([1 877 688 3200](tel:18776883200)) from 8am-Midnight Monday through Friday, and weekends from 1pm-5pm. E-mail support is available around the clock at support@telerama.com

price : \$20 monthly, no setup fee

specials : Purchase a **One Year Pass** for Personal Internet Service for \$200. That works out to just \$16.67 per month, a **\$40 savings** over the year! If you'd prefer a shorter-term Pass, get six months' service for just \$105 or three months for \$55.

customization : Any **Service Enhancements** can be added to **Personal Internet Service**.
